Yes. It turns out Leslie Holland-Bartels is out of pocket next week. She suggested the heads of two branches. I will contact them this afternoon to identify a time.

Hi Kate,

Ex. 5 - Deliberative

Their Regional Administrator of AK is involved and a call has been set up for next Thursday. I won't be able to attend but want to keep the process moving. I am passing on to you a request from Phil for you to participate in the meeting. Phil and Michael will be supporting you and can pre-brief you as necessary.

Hi Leslie,
Thanks for the contact. I have been checking availability within EPA for a call for next Thursday morning, February 24. I have not heard back from a couple of managers who I was hoping to include in the discussions. I am including folks from my program, Aquatic Resources, and the geochemist types in our Office of Research and Development in DC. I would like to have Bob Seal on the phone too, if he is

available.

Will next Thursday morning work at 9 or 10 for you?
